### Issue: Specialty Occupation

The Service requests additional evidence to establish that the proffered position of Software Developer qualifies as a specialty occupation under 8 CFR 214.2(h)(4)(ii).

Specifically, USCIS requires evidence demonstrating:

1. The position requires a minimum of a bachelor's degree or equivalent in a specific specialty directly related to the position.
2. The degree requirement is common to the industry in parallel positions among similar organizations, or the position is so complex or unique that it can only be performed by an individual with a degree.
3. The employer normally requires a degree or its equivalent for the position.
4. The nature of the specific duties are so specialized and complex that knowledge required to perform the duties is usually associated with the attainment of a bachelor's or higher degree.
